

Thanksgiving 2016 in South Florida

In March 1617, Saint Joseph Calasanz founded the Piarist Fathers. We are a world wide religious order of Catholic priests and brothers. We profess a special vow to educate the young, particularly the poor. On November 27, we will begin a one year celebration of the 400th anniversary of the Piarist Fathers. Tonight, Piarists from Fort Lauderdale and Miami gathered to celebrate the great American Thanksgiving holiday. We thank our Lord for the Piarists, who helped establish our roots in the USA and Puerto Rico. We thank our Lord for the young Piarists, who are preparing to continue our ministry in the Province of the USA and Puerto Rico. We thank our Lord for the many lay men and women, who assist us in our ministry. We thank our Lord for the many benefactors, who help provide us with the financial resources to continue our ministry. We are truly blessed.
