

Thank You Friends of the Piarist Fathers from South Florida

The Piarist Fathers have ministered in South Florida since 1961. We have taught at Cardinal Gibbons High School, ministered in numerous parishes, helped with *Operation Pedro Pan* and administered and staffed the Southeast Pastoral Institute (SEPI).

Recently our eight ministries (2 parishes, 2 chapels, 3 schools, 1 house of formation) in Puerto Rico were adversely affected by Hurricane Maria. We are very grateful to our many students, parishioners, alumni, co-workers and friends from South Florida. Their generosity to help our priests, brothers, parishioners, students and friends in Puerto Rico has been amazing.

The shipment of 12,200 pounds of non-perishable goods has been shared at our Parish of the Divine Savior in San Juan and Our Lady of Mount Carmel Parish in Playa de Ponce. We are truly grateful for the kindness of our South Florida friends. Thank you!
