The gift, which you make for a Piarist seminarian, is not just a gift. It's pure impact. Your financial gift is used carefully, and it will ensure a Piarist presence in all of our institutions for future generations. An investment in our *Adopt-a-Seminarian Program* now is an investment in the continuation of the Piarists' mission "to follow Christ and to serve the Church in the modern world by promoting our unique way of life and by administering effectively to the educational needs of children and youth, especially the poor."
