

The Piarist Fathers – Province of the United States and Puerto Rico

We are truly grateful to our benefactors. In the 2017-2018 fiscal year, expenses for the formation of our seminarians totaled \$340,091 and the donations from our friends totaled \$244,814. We received an additional \$724,277 for Hurricane Relief in Puerto Rico and \$11,677 for Gifts-in-Kind. Our priests and seminarians pray daily for our many friends. Thank you.

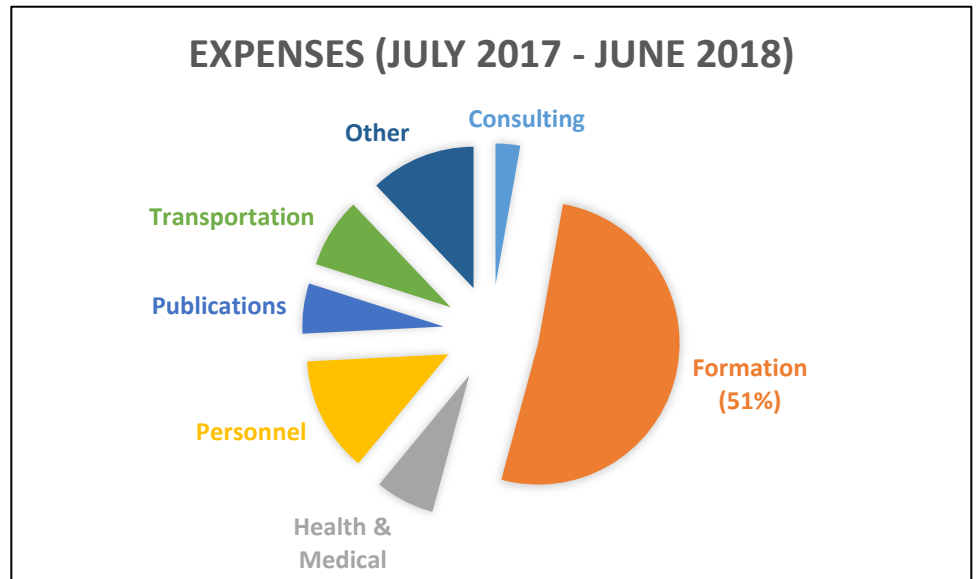

Our seminarians in New York benefit from the donations of our friends.

Our seminarians in Mexico will soon minister in the USA and Puerto Rico.

These two graphs include funds for operating expenses. They do not include funds for Hurricane Relief.

Many Thanks to Our Recent Benefactors! (July 2017 – June 2018)

We received more than \$700,000 from our alumni, parishioners, co-workers and other friends to help restore our ministries in Puerto Rico in the aftermath of Hurricane Maria. In addition, foundations and Piarists from throughout the world contributed. We used all of these funds (100%) for the restoration and relief projects. Our schools, churches and chapels in Puerto Rico are now functioning well due to the generosity of our friends. Our priests and seminarians pray daily for our many friends. Thank you.

Note: The grants and other donations, which we received after June 30, will appear in the next report.
