

Letter of Fraternity

The Superior General of the Piarist Fathers will occasionally grant a *Letter of Fraternity* to a person, who has been a longtime friend and benefactor to our religious order. In the United States and Puerto Rico, our members have been blessed with a large number of such friends. Our priests and seminarians pray daily for all of our benefactors. In a special way, every Piarist, throughout the world, remembers in his prayers those men and women, who have received a *Letter of Fraternity*, on November 4. We will be eternally grateful to the members of this special fraternity.
